▼ Description

It is possible to enter prohibited special characters in the name of the email address in the "Request info" entry form in vendors menu

The same bug occurs in "Reviews" form in "Your Email" field

Actual result: ~!#\$%^&*()=+{}|'?@.gmail.com

Expected result: special characters ~!#\$%^&*()=+{}|'? cannot be used in the name of the email address

Steps to reproduce:

1. Enter <https://www.summerhillstudios.ca/>
2. Click "VENUES" link
3. Click [Request Info] button of any vendor e.g. "The Florist's Loft"
4. Enter " ~!#\$%^&*()=+{}|'?@.gmail.com" in "Email Address" field
